Foreword

We, the annual staff, wish to introduce to you the 1956 Jumbleweed. In it we have tried to represent all phases of our school life— students, faculty, campus, and activities.

To the school and its patrons we want to express our appreciation for all the co-operation that was given to us in our efforts to make this edition of the Jumbleweed an outstanding one.

It is our sincere hope that you will enjoy every page, and that in the years to come each picture will recall pleasant memories of this year spent in Roby School.

Faculty

SUPERINTENDENT

This school year may be remembered as one of progress in many ways. The co-operation of the Parent Teacher Association, the Firemen, the city officials, and many patrons of the community has made it possible for improvement to be made in the school facilities. Teachers and pupils have been rewarded for much hard work by being winners in band, in agricultural contests, and some phases of the athletic program. I am proud of the student body which has shown the willingness to work and sacrifice to accomplish success for yourselves and your school.

It is a privilege to have this outstanding Tumbleweed as a record of these events. You who have worked in publishing this annual may be justly proud of the results you have achieved.

Let us look forward to next year as a time when we can accomplish even more.

Sincerely yours,

Cagle O. Hunt

Cagle O. Hunt

This Tumbleweed is a treasured summary of the activities of the school year. It accurately and faithfully records and preserves the events of 1955-56. The Editor and his staff are to be congratulated on the production of this book. They have labored long and faithfully and have produced a book of which they and we can be proud.

It is my great privilege and pleasure to extend greetings to you, the student body of Roby High School. May you ever exhibit the good sportsmanship and the honest endeavor with which you have faced the problems of life and school during the school year of 1955-56. Peace, happiness, and prosperity be yours for all time to come.

Sincerely yours,

M. G. Hannaford
